

INSTALLATION TECHNICIAN

ABOUT US

AMK Services is looking for talented and motivated individuals who wish to have a career in the Private Radio industry. We provide and service vital infrastructure of communication systems used by Police, Fire, EMA and 9-1-1 Communications Centers, in addition to the Energy Industry, Military and more.

Our personnel engineer, install, and maintain IP-based Land Mobile Radio, Microwave/Fiber Optic Network, Emergency Dispatching, and Video Surveillance Systems, as well as many new, cutting edge technologies.

AMK Services provides formal training as well as extensive on-the-job training and offers a position that will be based out of our Richmond, KY or Fishers, IN offices.

AMK Services also provides you the opportunity to travel throughout the United States.

WORK OVERVIEW

Perform mechanical and electrical installation work on Radio communications systems and vehicles. Work involves installation and testing of L3 Harris P25 Radios throughout the Eastern and Southern United States. This position will require travel under general supervision with moderate latitude for the use of initiative and independent judgment. All normal travel expenses will be reimbursed. There will be opportunities to move into a system technician position for those that show initiative.

- Install and test mobile and portable radios, repeaters, electronic sirens, emergency lighting systems, mobile video systems and computer equipment
- Install various types of electrical cabling to include, power cables, data cables and coaxial cables
- Test operational capabilities of mobile installations
- Program mobile, portable, and fixed radio equipment
- Perform on call emergency repair services

REQUIREMENTS

- High School Diploma or equivalent
- Proficient with tools and techniques related to installation of equipment
- Solid mechanical skills
- Positive, self motivated personality
- Pass background check and urinalysis.
- Good communication skills

AMK Services offers a competitive income and provides our employees with full benefits including medical, dental, 401k and paid vacations.
